## CERTIFICATE

This is to certify that our institute is not eligible to apply for accreditation from the National Assessment and Accreditation Council (NAAC) at present, as the institute was established in the academic year 2022-23.

As per the guidelines of National Assessment and Accreditation Council, an institution becomes eligible to apply for accreditation only after completion of at least two batches of students or six years of establishment, whichever is earlier. Since our institute is newly established, the criteria for NAAC accreditation are not yet fulfilled.

This certificate is issued for official record and submission purpose.
